

Notes from April 24th CVP PI meeting, 14:00-16.00 at CMM, VIP room, level 5

Participating PIs: John Pernow, Jesper Z. Haeggström, Ulf Hedin, Lorenz Poellinger, Mats Rudling

Other participants: Craig Wheelock, Mikael Karlsson, Daniel Ketelhuth

- § 1. Notes from previous PI meeting on March 18 were accepted as distributed.
- § 2. JP reported that Håkan Wahlén (DS) has accepted our invitation and will come together with several members of his team. UE is coordinating the program committee.

JZH reported that Foteini Mourkioti, a former coworker of Helen Blau at Stanford, has approached him for contact. She accepted an invitation to attend the CVP 2014 retreat. It was decided to invite her to be part of the program and give a lecture.

Craig will send out an invitation to members of the CVP community (same e-mail list as for the websurvey) to attend the retreat. They will be asked to submit abstracts for oral or poster presentation.

- § 3. Update on budget 2014-2015 will be provided at the next CVP PI meeting.
- § 4. JZH informed about an upcoming symposium on Lipid Mediators in Health and Disease, to held in Nobelforum, August 27-29. The symposium is also a tribute to Bengt Samuelsson at his 80th birthday.
